

Co-funded by the
Erasmus+ Programme
of the European Union

LET'S INTRODUCE OUR PROJECT

What's the Peer Coaching System?

It's supporting the students that will be coached personal, social and academic in terms by the coach.

It's a confidential process through two students work together to build new skills, share ideas, «teach one another».

Objectives

For Coached Students:

1. Making them aware of their talents,
2. Strengthening social relationships,
3. Increasing self-confidence,
4. Increasing school success
5. Developing skills like school success, time management, studying efficiently, communication

For Coach Students:

1. Getting responsibility,
2. Getting leadership skill,
3. Helping to improve new perspectives
4. Making them more social

For All Students:

1. Getting involved in the educational process more actively,
2. Adding «Tolerance, helpfulness and friendship» values,
3. Making schools and courses attractive with communication between students.

Which Countries Participate in the Project?

Turkey
(Coordinator)

Portugal

Poland

Italy

When Will be Transnational Mobilities?

Who are the Project Target Group?

The target group of our project is primary school students at the age of 5 to 11 (including the nursery class).

As a result of the interchange of the good practices between the partners, class peer coaches will be grown by the school personnel.

Who Will Run the Implementation?

Project will be run by partner schools in Cumhuriyet Primary School coordination.

Project Management Teams will be responsible in school planning.

Class teachers will make plans and implement in class implementation.

Who Will be Responsible in Schools for Running the Project?

- Project Management Team
- Class Teachers
- School Counseling Service
- Student and Parent who attend implementation.

How Will be «Peer Coaching System» Implemented?

- Teachers who will participate in the implementation will be determined, training will be given to them,
- Teachers will determine the coached students. (they will take care of the ideas of counselor and parents.)
- The students who will coach the others will be selected in accordance with the results of «Sociometric Techniques» (on voluntary basis).
- All the students who included in the implementation process will be given trainings. (Peer Coaching System, Communication, Tolerance, etc...)

How Will be «Peer Coaching System» Implemented?

- Parents will be trained. (About implementation process, parent-student communication, the role of parent in education, etc...)
- Coach students will be support coached students in personal, social and academic terms in the school hours under supervision of the class teachers.
- Out of the school hours, implementation will continue with permission and supervision of parents.
- Students will be matched one-to-one in the implementation.

When Will be the Project Implemented?

It will be implemented in 5 terms

- Project Preparation Term** : October 2017 – December 2017
- 1st Implementation Term** : January 2018 – June 2018
- 2nd Implementation Term** : September 2018 – January 2019
- 3rd Implementation Term** : February 2019 – June 2019
- Project Dissemination Activities:** September 2019 – December 2019

How Will be «Project Evaluation» Done?

Evaluation activities will be done;

- With 'Student Status Assessment Form'(At the beginning and the end of implementation term,class teachers will fill this form for the students who included process,)
- With 'Implementation Evaluation Form'(class teachers will fill at the end of implementation term)
- With 'Mid-term Evaluation Report' '(Project management team will fill)
- With 'Final Project Report'(Project management team will fill)
